

Gone Investigating

Chorus:

Let's investigate. (Oh Dilly)

Clap to the beat.

Hurry, don't be late! (Oh Dilly)

Won't you come along? (Oh Dilly)

Where has JT gone? (Oh Dilly)

We're looking now. Yes, we know how.

We'll investigate! (Yeah!)

First you use your eyes.

Point to your eyes.

Look for a surprise.

Now you use your ears.

Point to your ears.

What things can you hear?

We're looking now. Yes, we know how.

We'll investigate! (Yeah!)

Now you use your nose.

Point to your nose.

Sniff for JT's toes.

Now you use your feet.

Point to your feet.

Search on every street.

We're looking now. Yes, we know how.

We'll investigate! (Yeah!)

(Chorus)

There's no time to lose.

Point to a wall clock.

JT left some clues.

Now we're at the tree.

Open arms like branches.

Will we find JT?

We're looking now. Yes, we know how.

We'll investigate! (Yeah!)

The clubhouse is up there.

Point to the sky.

Maybe he's in there.

Now we found JT!

Put hand over eyes like a lookout.

Lots more friends we see.

We're looking now. Yes, we know how.

We'll investigate! (Yeah!)

We're looking now. Yes, we know how.

We'll investigate! (Yeah!)
