

The InvestiGator Club Theme Song

It was in Circle Forest
That Dilly and JT
Went on a hike with Auntie
To see what they could see.

They came upon an oak tree.
Its trunk was big and round.
It looked just like a giant
Stretched up from the ground.

"Let's build a tree house!"
Said Dilly to JT.
So Dilly gathered all her friends
To build one in that tree.

It took some time to build it.
But when the house was done,
They'd built a very special place,
A place for lots of fun.

Yes, that's our Dilly Gator.
She is Grr- grr- Grrreat!
She can find and think and make and do,
And in-ves-ti-gate!

They climbed the tree house ladder.
They turned to look below.
There were so many things to see
And places they could go.

Then a great idea came
To young Miss Dilly Gator.
What this world could use
Is six InvestiGators!

"Welcome to our clubhouse,"
Said Dilly to her friends.
"We'll learn about this big wide world.
Our mission never ends!"

So come and join the club today
With Dilly and JT.
Let's in-ves-ti-gate our world.
There's so much here to see!

Yes, that's our Dilly Gator.
She is Grr- grr- Grrreat!
She can find and think and make and do,
And in-ves-ti-gate!

She can find and think and make and do,
And in-ves-ti-gate!

She can find and think and make and do,
And in-ves-ti-gate!
