

November Activity Calendar

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Pretend to be firefighters. Put on boots and a helmet. Put out play fires.	<i>November</i> begins with a capital <i>N</i> . Write <i>N</i> 's in sand or shaving cream.	Find things that go together, such as salt/pepper and shoes/socks.	Exercise like Manny. Twist and turn. Touch your toes.	Help your child learn his or her street address.	Play Hide and Seek. Count to 10, 15, or 20 before searching.	Walk, jump, or hop to different drumbeats or claps.
Carry toys like the early settlers did—with a wagon.	Chuck lost his tools. How do you think he feels? How can you help?	Paint using feathers rather than paintbrushes.	Set out five jars. Predict and test which will hold the most water.	Roll and bend clay to make the numerals 5 and 6.	Play Hot Potato with your family.	It's Do the Opposite Day. Say things like <i>sing loud, take big steps, look up.</i>
Find objects that begin with the same sound as <i>November</i> .	Rosalita loves to dance. Make up a dance and perform it.	At bedtime, pretend to be bears hibernating for the winter.	Go to the library. Check out books about bears.	String beads, buttons and other objects to make a festive necklace.	Pantomime a turkey. Wobble, flap your "wings," and gobble.	Use brooms, string, and sheets to make a teepee. Sit inside to tell stories.
Clap out the syllables in <i>turkey, potato, and cranberry</i> .	Make a salad with fall fruits and nuts.	Sing Thanksgiving songs, such as "A Turkey Sat on a Backyard Gate."	Make a card to show things you are thankful for.	<p>HAPPY THANKSGIVING</p> 	Auntie Lu loves art. Use fall colors to paint a picture for her.	Practice walking in slow motion.
